Let me introduce myself. I am a Mary Kay Beauty Consultant!

Do you have a drawer full of skin care products or cosmetics that you are not using? Things that looked great in the store but now just sit in your drawer? I call these items "*Beauty Boo-Boos*". Perhaps the cleanser wasn't right for your skin, the colors just didn't look the same when you put them on.

Don't waste any more money on things that don't work! Mary Kay offers a 100% customer satisfaction guarantee! In addition, several of our products also have the Good Housekeeping Seal of Approval!

Skin care and color selection doesn't have to be a hit or miss proposition. As a Professional Mary Kay Beauty Consultant, I can show you how to get the right products. It all starts with a **FREE Pampering Appointment**. This will give you the perfect opportunity to relax and look at the products. Have fun and experiment a little in the comfort of your home or my home office. Together we'll discover what products work best for you. Kiss all those "*Beauty Boo-Boos*" goodbye!

Looking forward to hearing from you!

If you have never used Mary Kay, why not let me pamper you with a **FREE Pampering Appointment**. If you use Mary Kay, but currently don't have a Consultant, I would be happy to help you.

I have a very special **MOVE-IN GIFT FOR YOU** at your **FREE Pampering Appointment** or you can shop on my website and get your **MOVE-IN GIFT** when I deliver your products to you.
