

Interview Tools

ESD Barbara R. Johnson

Every time I go into my kitchen to cook, I have available to me a variety of tools from which to choose. The tools are ready if I need them, but I don't use all of them every time I cook. *Linda Toupin, NSD*

And so it is with your Mary Kay Interviewing Tools. Take a minute to look at your interviewing tools in the same frame of mind. Choose tools that work with your prospect's behavior style (DISC).

All Behavior Styles:

Actual Product from the Starter Kit (displayed in a vinyl bag from Sec. 2)

Picture of the product in the Starter Kit

Agreement (with your name and unit numbers written in)
